

## BOBBY WAUGH AND WALLACE GO TO DEMING

Little Scrappers Arrive in El Paso Preparatory to Deming Battle.

### SUNDAY AFTERNOON IS DATE OF BOUT

Bobby Waugh, Texas lightweight champion, and Otto Wallase, of Kansas City, two of the best little men of the 125-pound class in the south, will clash at Deming, N. M. Sunday afternoon in what will undoubtedly be the best show ever held in the little city.

Promoters C. M. Rood and Don McCauley, who have been anxious for a match between first class lightweights for some time, have gained the hearty endorsement of the Deming fans in the selection of the two principals for the big Sunday bout.

Waugh and Wallase have met several times in the ring, and in such instances the duration of the fight has been marked by stiff, consistent millage, and the fans have gone away satisfied that the contest was one of the best witnessed in a long while.

Were in El Paso. Both boxers were in El Paso Thursday preparatory to leaving for Deming, where they will wind up training for the bout. Waugh is in excellent trim as a result of several bouts during the past month, while Wallase has been doing consistent training in El Paso in anticipation of being signed.

Wallase has met Fighting Thorpe, the Kansas City boy, several times, aside from other numerous lightweights of class. His record is very similar to that of Thorpe and Waugh, inasmuch as he has never been knocked out but has always given his opponent just as good as he got.

El Paso boxing fans are attempting to arrange a party to go up to the Deming encounter. In the event that a party of 15 or more fans is gotten up, a special rate can be obtained for the round trip on the railroad, as the roads are in a bad condition and it would be impossible to go by automobile—that is, of course, if the wet weather continues.

Fans Attend Bout. In the past numbers of fans have made the trip in automobiles to the camp, and in view of the fact that many are well acquainted with both boxers, a party of this kind is little doubt but that the party will be a successful one.

Fans who would like to join the party are requested to call on the El Paso Herald, after 4:30 in the afternoon.

A semi-union between Jack Arnold and Merty Falk, two fast little men, has been arranged prior to the Deming event.

Jack Voncken, of El Paso, who has affiliated in quite a number of battles in Deming, will officiate in the contest, which is being promoted by promoters McCauley, Rood and Tony Lamantia.

## LOWERMILK IS HURLING LEADER OF ASSOCIATION

Columbus Senator Pitcher Heads Averages for 1917 Season.

### MARVIN GOODWIN HAS GOOD RECORD

ROVER Lowmilk, of the Columbus Senators, led the American association pitchers last season with an average of 1.76 runs per game for 49 games pitched. Marvin Goodwin, formerly of the Milwaukee team, sold to the St. Louis Nationals, and now in the United States service, was second on the list with an average of 1.91 for 27 games. Dick Niehaus, of St. Paul, was third with 1.94, and Cy Falkenberg, of Indianapolis, fourth with 1.99.

Figuring the standings on the old basis of wins and losses, Lefty Davis, of the Colorado, had the best record, winning 23 and losing 11. Fillingham, of the Indians, was second with 20 and 9, and Jake Northrop, of the same team, third with 20 and 10. Lefty Sherrill, led the Milwaukee pitchers with 19 wins and 16 loss, and Lou North was second with nine wins and eight loss.

Lowmilk's Fans Most. Lowmilk, of the Senators, not only led the pitchers of the season but was also at the top in the matter of strikeouts, making 250 batters fan the breeze. He also came within an ace of taking the honors for passing men with 125 hits. Lefty Davis, of the Colorado, taking first place with 121. Hagerman, of the Saints, was third in this department with 126, and Ray Keating, of the Hens, fourth with 128.

Schultz and Keating, of the Toledo team, divided honors in the matter of wild pitches, both hurlers pitching 14 throws out of reach of the catcher. The Toledo pitchers were unusually wild all around, as third place in wild pitches also went to Bresnahan's club. Percy of that team having 12 wild ones.

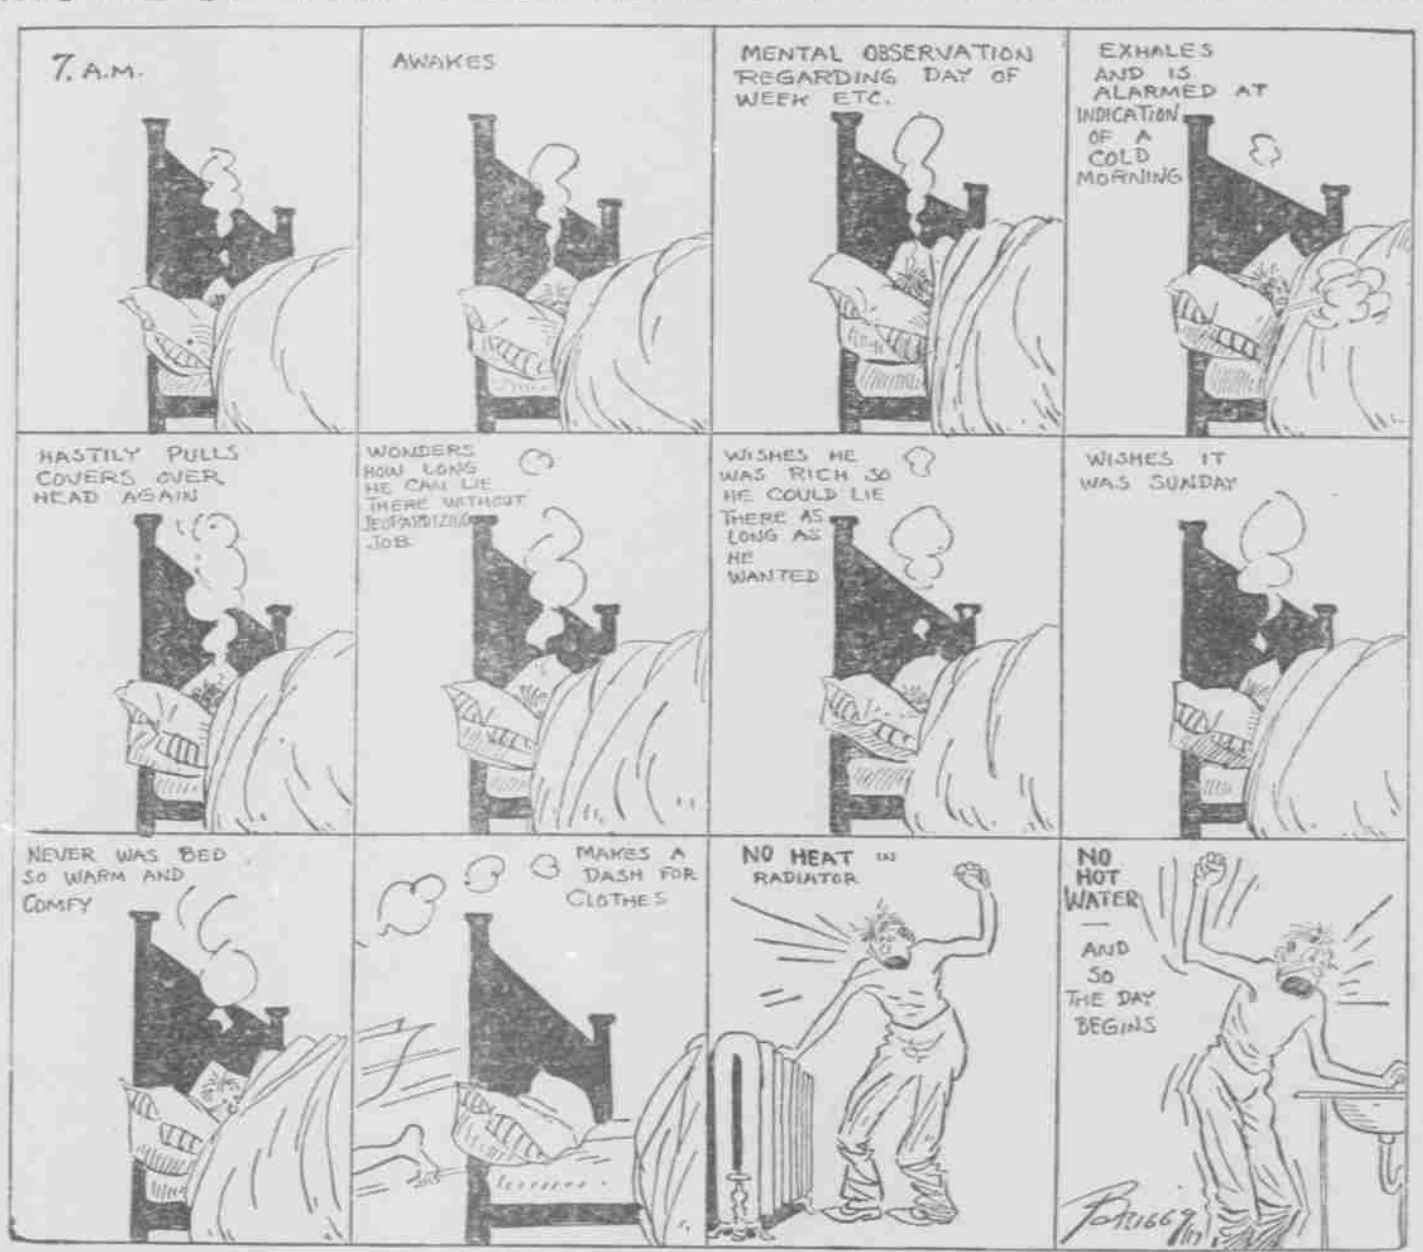

Thomas Hit Hard. Cy Thomas, of the Millers, was found for the most hits for the season, hitting for the other seven clubs totaling him for 218 safeties. McQuillan, of Kansas City, was second with 201 charged against him, and Sanders, of the same team, was third with 176. Lowmilk took picks on the most batters for the year with 24 hit batters, and he also faced the greatest number of batters, with 126.

Cy Thomas, of the Millers, took part in the most games with 22 to his credit, and Lowmilk and Grison, of the Saints, were tied in the matter of whitewashes, each registering seven. There were four one-hit games during the year and they were made by pitchers Beebe, Main, Davis, of Louisville, and Sherrill, of Milwaukee.

Six Two-Hit Games. Six pitchers hurled two-hit games during the year, the honors going to Davis, of the Colorado; Falkenberg, of the Indians; Harding, of Milwaukee; Keating, of the Hens; Boardman, of Minneapolis; and Brady, of Toledo. Goodwin, of Milwaukee, and Roy Williams, of St. Paul, were tied in three-hit contests, each hurling three. Lefty George, of the Hens, was taken out of the box the greatest number of times, being called to the cooler on 21 occasions.

Roy Williams, of the Saints, took second honors with 15, and Keating, of the Indians, third with 13. Cy Thomas, of the Millers, was the greatest "no runner" pitcher, being called to the mound 17 times to relieve his teammates.

## SWEDISH ATHLETES CARRY OUT PLANS MADE FOR SPORT SCHEDULE

NEW YORK, January 11.—Notwithstanding its proximity to the scene of the European war, Sweden has just completed the most successful athletic season in the history of sport in that country. Under the coaching of Ernie Hjertberg, formerly prominent in American amateur and professional athletics, the Swedish track and field performers have made remarkable strides, and will be factors to be feared in years to come when international track competitions shall have resumed.

Some Crack Men. The year 1917 was the most successful in the history of Swedish athletics, both from the viewpoint of general interest and of performance. Twenty-two new Swedish records were established, and four of these being at the same time new world records.

Three of these world record performances were the work of Joan Zander, the phenomenal long distance man, whose defeat of Ted Meredith at 1000 meters in the Stockholm stadium in October, 1916, will be recalled.

A. Holm, who tied with Zander on that occasion in 2:51.2, equaled the world's record, but two of the new Swedish records in his credit, and Zander has three, apart from his world's record.

Loth Zander and Holm are special pupils of Ernie Hjertberg. Zander's world's records are: 1500 meters, 3:54.3; 3000 meters, 8:00.0; 5000 meters, 15:31.0. His best performance was the 1500 meter run, which Zander ran alone. The four new records, 2:51.2, 3:54.3, 8:00.0, and 15:31.0, were held by Abel Kiviat. Zander clipped 5.2 seconds from A. Holm's record in the 2000 meter run, and nine-tenths of a second from a 3000 meter figure. The other world's record to go was for throwing the javelin, best throw with each hand in which Yngve Hackner set a record of 114.25 meters.

Some Other Swedish Records. The other new Swedish records established follow: 60 meter dash, 8.3 seconds; 200 meters, 2:21 seconds; 400 meters, 50 seconds (Hjertberg); 800 meters, 2:06 seconds; 1000 meters, 3:55.0 (Hjertberg); one mile, 4:17.5 (Zander); 2000 meters, 14:15.5 (Zander); 400 meter hurdles, 2:41 seconds; four-man relay, 4:00 meters, 4:11 seconds; four-man relay, 400 meters, 1:21.1; four-man relay, 1600 meters, 5:28.5; four-man relay, 6000 meters, 17 minutes; high jump, 1.90 meters; pole vault, 2.83 meters; discus throwing, both hands, 32.16 meters; running, three miles, 14:38.7 (Zander); 1000 meter relay, first man running 100 meters, second man, third man, and fourth man, 21.1 seconds.

One new record was also established in the peculiarly Swedish contest known as the "mellans" box," a form for length over the gymnasium horse.

Fighters Work Out Daily Here. Joe Britton, the fast northern lightweight, Kid Ross, the El Paso welter, and Jack Arnold, a featherweight of this district, are putting several rounds daily at an athletic club in the 900 block of San Antonio street.

Britton has several bouts in prospect in the near future, among them being a 15-round bout with One-Round Norman, at Columbus, N. M., during the early part of February. The northerner is a fast, clever boy with a hard punch, and fans of this district are anxious to see him in action.

The other two boys are training hard and will be matched to meet boxers of some class by manager John McIntosh.

ANNAPOLIS SETS RECORD. In scoring 162 points the past season, Annapolis, of the Annapolis football team, equaled the record of Charley Barrett, of Cornell, made in 1914.

NEARLY TO TRY COME-BACK. Charles Neary, the veteran Milwaukee boxer, who has been in retirement several years, proposes to try a come-back.

## PILOT JIM DUNN BOOSTS BOXING IN ARMY CAMPS

Declares That Glove Work Is Good Training for the Bayonet Fighters.

### SIMPLE SYSTEM IS USED IN TEACHING

By JIMMIE DUNN, Member of Johnny Kilbane, Camp Taylor, Louisville, Ky., Jan. 11.—Boxing is one of the world's greatest sports and I believe it will play a great part in the war.

In the front line trenches of France there is much hand to hand fighting. The average man when roused to fighting anger reaches out for his adversary, grabs him, and then they lose time rolling around to see which is the stronger. If these men were trained boxers that would never happen. If one of them should be a trained boxer it would be an easy matter for him to smash out with a right or left to the point of the chin and then it would be curtains and the prison cage. It is just as good as giving your enemy an anesthetic.

I begin with a class of 200 soldiers, I train these for two weeks and then I begin on a new class of the same size. When the boys leave they are better able to handle the bayonet to teach other men. I take the boys 50 at a time, four times a day. By this method I have given the rudiments of boxing to more than 1000 soldiers since I came here.

I work from a platform, with my class of 50 standing in front of me. I teach them how to hold their hands, how to turn their bodies, and how to move their feet to get the most from each action. Their bodies must be trained every punch, and I outline the fundamental principles, following my hands as I outline the movements.

It is my belief that any young man who knows how to box will make a great bayonet fighter. He knows how to move, how to step back, how to shift, and how to get his weight behind the point when jabbing with the bayonet. He also knows how to avoid the thrusting of his enemy, a distinct advantage.

Once saw a boxer give another man a baseball bat and beat him with it. The boxer took the bat away from his opponent three times with ease and never was touched. That taught me far more than anything else could the value of boxing as a defense—Millsaps, Leader.

## BASKETBALLERS READY FOR BIG GAME TONIGHT

Fast Teams Will Clash at Y. M. C. A. Gymnasium in the First Game.

### FORMER STARS TO MAKE APPEARANCE

TWO of the fastest teams that have been organized in several years will lock horns tonight at 8:15 o'clock at the Y. M. C. A. gymnasium in the first game of the 1918 City basketball league, when the Feldman and Wals quintets clash.

Among the players who will appear as members of the Feldman team are Bob Bryant, Chris Fox and Al Tatum, all former High School Tiger stars, while Green and Runyan, two fast Church League players, D. Watley, B. Watley, Bias and Ribberg, former members of the club, comprising an all-star aggregation. Bias is a member of the First Methodist team of the Church League, which finished second in the initial round of the circuit, and he is a consistent, aggressive player.

Vesley in Command. Sgt. Vesley, who affiliated in practically all of the Church League games as a referee, will have charge of the Wals team, which will be composed of men of the caliber of Belmont, physical director of the High School; E. A. Carlson, High School coach; Schumacher, forward and captain of the Westminster Church League quintet; Painter and Worman, of the Trinity Methodist champions, and Klink, of the First Methodist five.

The two teams were originally entered in the league under the names of the Dormitory and Independent clubs. The Dormitory team, however, took up the name of the Feldman Sporting Goods company, while the Independents were adopted by the Wals company.

The two teams, according to physical director A. L. Holm, are comprised of the strongest and best players of the City League, and the game will be well worth seeing when they meet on the floor.

The opening games of the City League schedule have been postponed until next week, when the High School Tigers will also be able to play. Saturday night, the players will meet at the School of Mines at the school gymnasium, and inasmuch as it is the first official game between the two teams a snappy contest is anticipated. The Tiger players have been showing considerable spirit in their workouts and coach Belmont is confident that he has a strong organization.
